

TRAPPING 4 SUCCESS

Two professional trappers will share their tips for success.

Walk a local trapline and discover how trappers 'read' the forest for pest signs and what to look for when deciding where to set traps.

A range of traps will be available for hands-on learning.

Afternoon Tea provided.

Please **RSVP** by Wednesday
23rd May to Ngaire Tyson

ngaire.tyson@landcare.org.nz

Saturday
26 May 2012

1pm – 4pm

Waimate North Showgrounds
205 Showgrounds Road,
Waimate North.

Come along to this free workshop and learn:

- * How to look after what's in your backyard
- * How to catch more possums and mustelids in your traps
- * Learn to use a range of possum kill traps
- * Where to locate your traps to get the best results
- * How to maintain your traps to keep them working longer
